

Grogu's Force Sort

COMPLETE TO COLLECT

Marble Tablet

Level 3 • 5 Glints

THE PROBLEM

In the Star Wars series *The Mandalorian*, **Grogu—often called Baby Yoda**—can use the Force to move objects.

GROGU'S CLUES

Grogu floats a **blue cookie**, a **silver control knob**, a **frog**, and a **soup cup** into four positions. He uses each object exactly once.

1. The blue cookie is somewhere to the **left of** the frog.
2. The soup cup is **immediately to the right of** the silver control knob.
3. The frog is **not next to** the silver control knob.
4. The silver control knob is **not at either end**.

QUESTIONS

Use the organizer on this page. Separate paper is optional.

- Place the four objects in the **only order** that obeys every clue. Write them from left to right in the first landing strip.
- The Mandalorian says Clue 3 is not needed. Is he right? If not, write a **different order** that obeys Clues 1, 2, and 4 in the second landing strip.

LOGIC ORGANIZER

Mark an X for an impossible position and a check when a position is certain.

Object	1 leftmost	2	3	4 rightmost
Blue cookie				
Silver knob				
Frog				
Soup cup				

Part 1 • All four clues

1 _____

2 _____

3 _____

4 _____

Part 2: The Mandalorian is **right** / **not right**.

Part 2 •
Without Clue 3

1 _____

2 _____

3 _____

4 _____
